Dire distress, diabetes, Bright's disease.

Mr. Wm. Asher living in the south, east part of Lehi, Utah, says: "My wife has suffered severely from kidney trouble. She complained a great deal of nervous headaches, and at times pain would catch her across the loins, causing her great annoyance. Her condition greatly alarmed me and she gradually grew worse. She tried every remedy that was brought to her notice and finally procured a box of Doan's Kidney Pills at T. J. Wadsworth's Drug Store. The results that followed their use were very encouraging, she continued taking them and was entirely cured of the complaint. She has not been troubled in any way since and we think very highly of Doan's Kidney Pills."
